As I write this (on Friday) we await the day of the Anglesea Fete, which I am sure will be a wonderful success. Much planning and work has gone into this event, of course, and I am very grateful to all who have put in their time and effort up to this point, and will do so on the day itself. Many thanks to those who have made the bookstall such a success, and your diligent work has certainly paid off! I look forward to being at the fete myself on the 14th, and I have confidence that the excellent organisation which has been going on up to this point will be very well worth the effort.

I will be on holidays from the 15th-21st January, and will be back leading worship at Anglesea and Aireys Inlet on the 22nd. Remember that we have our Church Council AGM (the congregation is the Church Council at Anglesea) on the 22nd. Worship will be considerably shortened so that I will be able to be there for that meeting. We are all grateful that Marj Hanson has agreed to be secretary for this meeting, and she will receive nominations for the positions which are vacant on our C.C. Please give your nominations considerable thought and prayer.

We are all grateful for the hard work which continues at the Bellbrae Op Shop, and we are very aware that the Linked Congregations benefit greatly from their efforts. Wonderful!

Quite soon we will be "back into it" with a vengeance So get as much rest as you can in the circumstances, and I will too, and I'll be back with you on the 22nd!

Peace be with you, from your Minister, Helen,

Every blessing for the New Year, from your Minister, Helen.

This is a fantastic result, we are so grateful to all of the people from our sister congregations who helped us out with stock to sell and also manning stalls.

A big thank you to all our Anglesea people who have worked so hard preparing sale items and staffing the various stalls.

A special thank you to those who have looked after the Book Sale for six days in a row.

A Thank You Message

To all the talented and hard working team who made the fate such a success thank you for all the hard work you did before today and leading up to today. Thank you for your generosity and the hospitality you gave to each other and to those who visited us. There was such a happy atmosphere at the fete.

A big thank you too, to all those who donated food, plants, crafts etc. Especially those from other churches in our cluster. There have been many people outside of our church who gave their time and we thank them very much.

I personally thank you all for your support to me and your guiding advice as we prepared for our big day. I don't know if we will ever repeat this outstanding figure again, but I do know we will all enjoy the love shown to each other in what ever we do together.

**God bless you all
John Russell**

Anglesea's Trinity Church's coming Annual Congregational meeting and Election of Office Bearers.

Marjorie Hanson will stand in as Secretary for the meeting and so all Nominations for vacant positions should be sent to her. These should be with her by Sunday 15th January. Those responsible for the Reports are reminded to have these ready for the Meeting.

Major positions which need to be filled are Secretary and Treasurer as Thelma Western is retiring after a long and successful time in this position. Can the members of our Congregation give these vacancies prayerful thought as they need to be filled. Marjorie Hanson is also retiring at the end of January 2017, from being the front person keeping the sound system at the Church working.
