**Another message from the Editor.**

This is a very special day for many reasons.

It is an opportunity to thank the Rev. Helen Robinson for her leadership, for her care and concern for us, for her encouragement and support for us as we tried new ways to serve God on the Surf Coast. We wish her well for the future and pray that God will always be at her side.

It is an opportunity for our four quite different churches to meet together with a single purpose of thinking about the future and with Gods guidance continuing the task of sharing our love for him with our communities.

It is a time to strengthen our faith and truly believe that with God all things are possible.

So let this day be the first day of a new era for the Uniting Churches on the beautiful surf coast. Lets not think of this situation as a problem, but as an opportunity.

I make these comments not to criticise but to encourage you all, as well as to fill our front page.

Peter Heath.

Two Messages from the UC web Site - [victas.uca.org.au](http://victas.uca.org.au)

*The four Uniting church congregations along the Surfcoast are set in a most beautiful place, where the bush meets the sea. Whether you choose to worship at Torquay, Bellbrae, Anglesea or Aireys Inlet you will find a really warm welcome. In our worship we seek to invite people into the love and mystery of God, who has given his Son so that we can enter freely into relationship with our God. We celebrate the love God has for us, and for all creation, and think about what it means to be disciples of Jesus.*
