**Attention all Members Trinity Uniting Church**

The Property Committee at Trinity Uniting is drawing up a Key Register. All members of the Congregation that have a key to open the church are requested to let Doug Marr (Chairperson) know.

Safety points have been put into Power Points as per requirement W.W.C. If its is necessary to remove a safety point please ensure it is put back into power point when finished using the point.

**Many thanks, Property Committee Trinity.**

**Church Contact Details**

I have been asked to provide further clarification of the interim arrangements regarding church contact details to be displayed on our notice boards.

The Surf Coast Uniting Church is listed in the telephone book with the Minister 5261 2369 and Opp Shop 5261 5139.

The Linked Council agreed that while we don't have a Minister and the phone is situated at the Torquay Church, the 5261 2369 number be temporarily diverted to the home telephone of the Chairman of the Torquay Church Council (Robin Dennis).

On receiving the query Robin will refer it to the appropriate person in the relevant congregation. For example, if the query is a pastoral care need for someone in Aireys Inlet, Robin will refer the query to the leader of the Pastoral Care team at Aireys Inlet. If the query is for a baptism at Anglesea, Robin will refer the request to the Secretary of the Anglesea Church Council.

To date this arrangement has worked satisfactorily and we are very appreciative of Robin's willingness to provide this service for our churches. **Mary Bremner (Chairperson, Surf Coast Linked Congregations)**
