Environment Initiatives— The Church Council decided on Tuesday that we would put in some implementations re helping our environment. So please put things like plastic biscuit moulds in the recycle bin and biscuit wrappers & soft plastics into a bag (which will be attached to the large doors near the sink) to take back to the supermarket. Please note this for those making morning teas on Sunday and weekdays. There will be **two containers in the foyer** for us to place **Bread ties** (for the making of wheel chairs) and **Milk and Juice bottle caps** from one litre or two litre bottles (for the making of prosthetics hands for young children).

Every little bit helps.

Think Green!

Thanks everyone
