SEASON OF CREATION:

CLIMATE STRIKE

In the month of September, Christians around the world unite in prayer and action as part of the Season of Creation.

It is time to reflect on our connection with the Earth and to act on Christ's call to care for our neighbour and all of God's creation.

A MESSAGE FROM THE UNITING CHURCH OF AUSTRALIA

A letter to our congregations from Kim Trawn of the Australian Red Cross

*Hello, I am from the Australian Red Cross and I manage the **Community Visitor Scheme** which connects an older person living at their home or in an aged care facility that would like more social contact with a friendly volunteer visitor. Having good social connections are essential for all aspects of health, especially as we age. Red Cross supports older people who live alone or who have few social connections to help improve their wellbeing.*

I currently have a few male clients in Torquay who are looking for a male volunteer, and I would really appreciate your help by sharing this opportunity with your congregation either at a service or in a newsletter? We are more than happy to also welcome female volunteers, we are just struggling to find some male volunteers at this time.

Interested volunteers can email me

at ktrawn@redcross.org.au

Warm regards, Kim

Remember to RECYCLE where you can. Torquay church is collecting **Bread ties** (for the making of wheel chairs) and **Milk and Juice bottle caps**. Containers in the are foyer.
