## **My Country by Dorothy MacKellar..**

"I love a sunburnt country,  
A land of sweeping plans,  
Of ragged mountains ranges,  
Of droughts and flooding rains.  
I love her far horizons,  
I love her jewel-sea,  
Her beauty and her terror—  
The wide brown land for me!"

-----  
"Australia day is a day to celebrate our Indigenous, British  
and

Multicultural history and look forward in unity.

Australia Day is not a day for hostility ....It has been a challenging  
beginning to the year but there is no clearer an example of the  
power of Australians, when working together, to support one  
another.

Together we can walk together towards a brighter future for all  
Australians."

From the Herald Sun

By Ken Wyatt who is the Minister for Indigenous Australians.
